## Opening

A look at the days of old with the class of '96 — Riverside, Boston Harbor, Abby's House, Donkey Basketball, Junior Prom, and all of our Homecomings!

2

## Seniors

These are the days to remember what we are like now — at 17, 18, 19 (or more)! Looking our best, and sharing our thoughts; let's hope we all remember what we thought we wrote!

16

## People

Juniors, Sophomores, Freshmen, plus — these are the people that have surrounded us through the last four years. These are the years of your life, too!

69

## Faculty

Teaching, guiding, coaching, advising; these are the people who have tried to get us through these days (and nights of homework)!

89

## Sports

These are the days to win championships, lose with good sportsmanship, and tie up loose ends. Soccer, basketball, baseball, softball, track, and all the rest. These are the days we did our best!

101

## Organizations

All work and no play makes for some very boring days. These are the clubs and groups that have made our day!

132

## Student Life

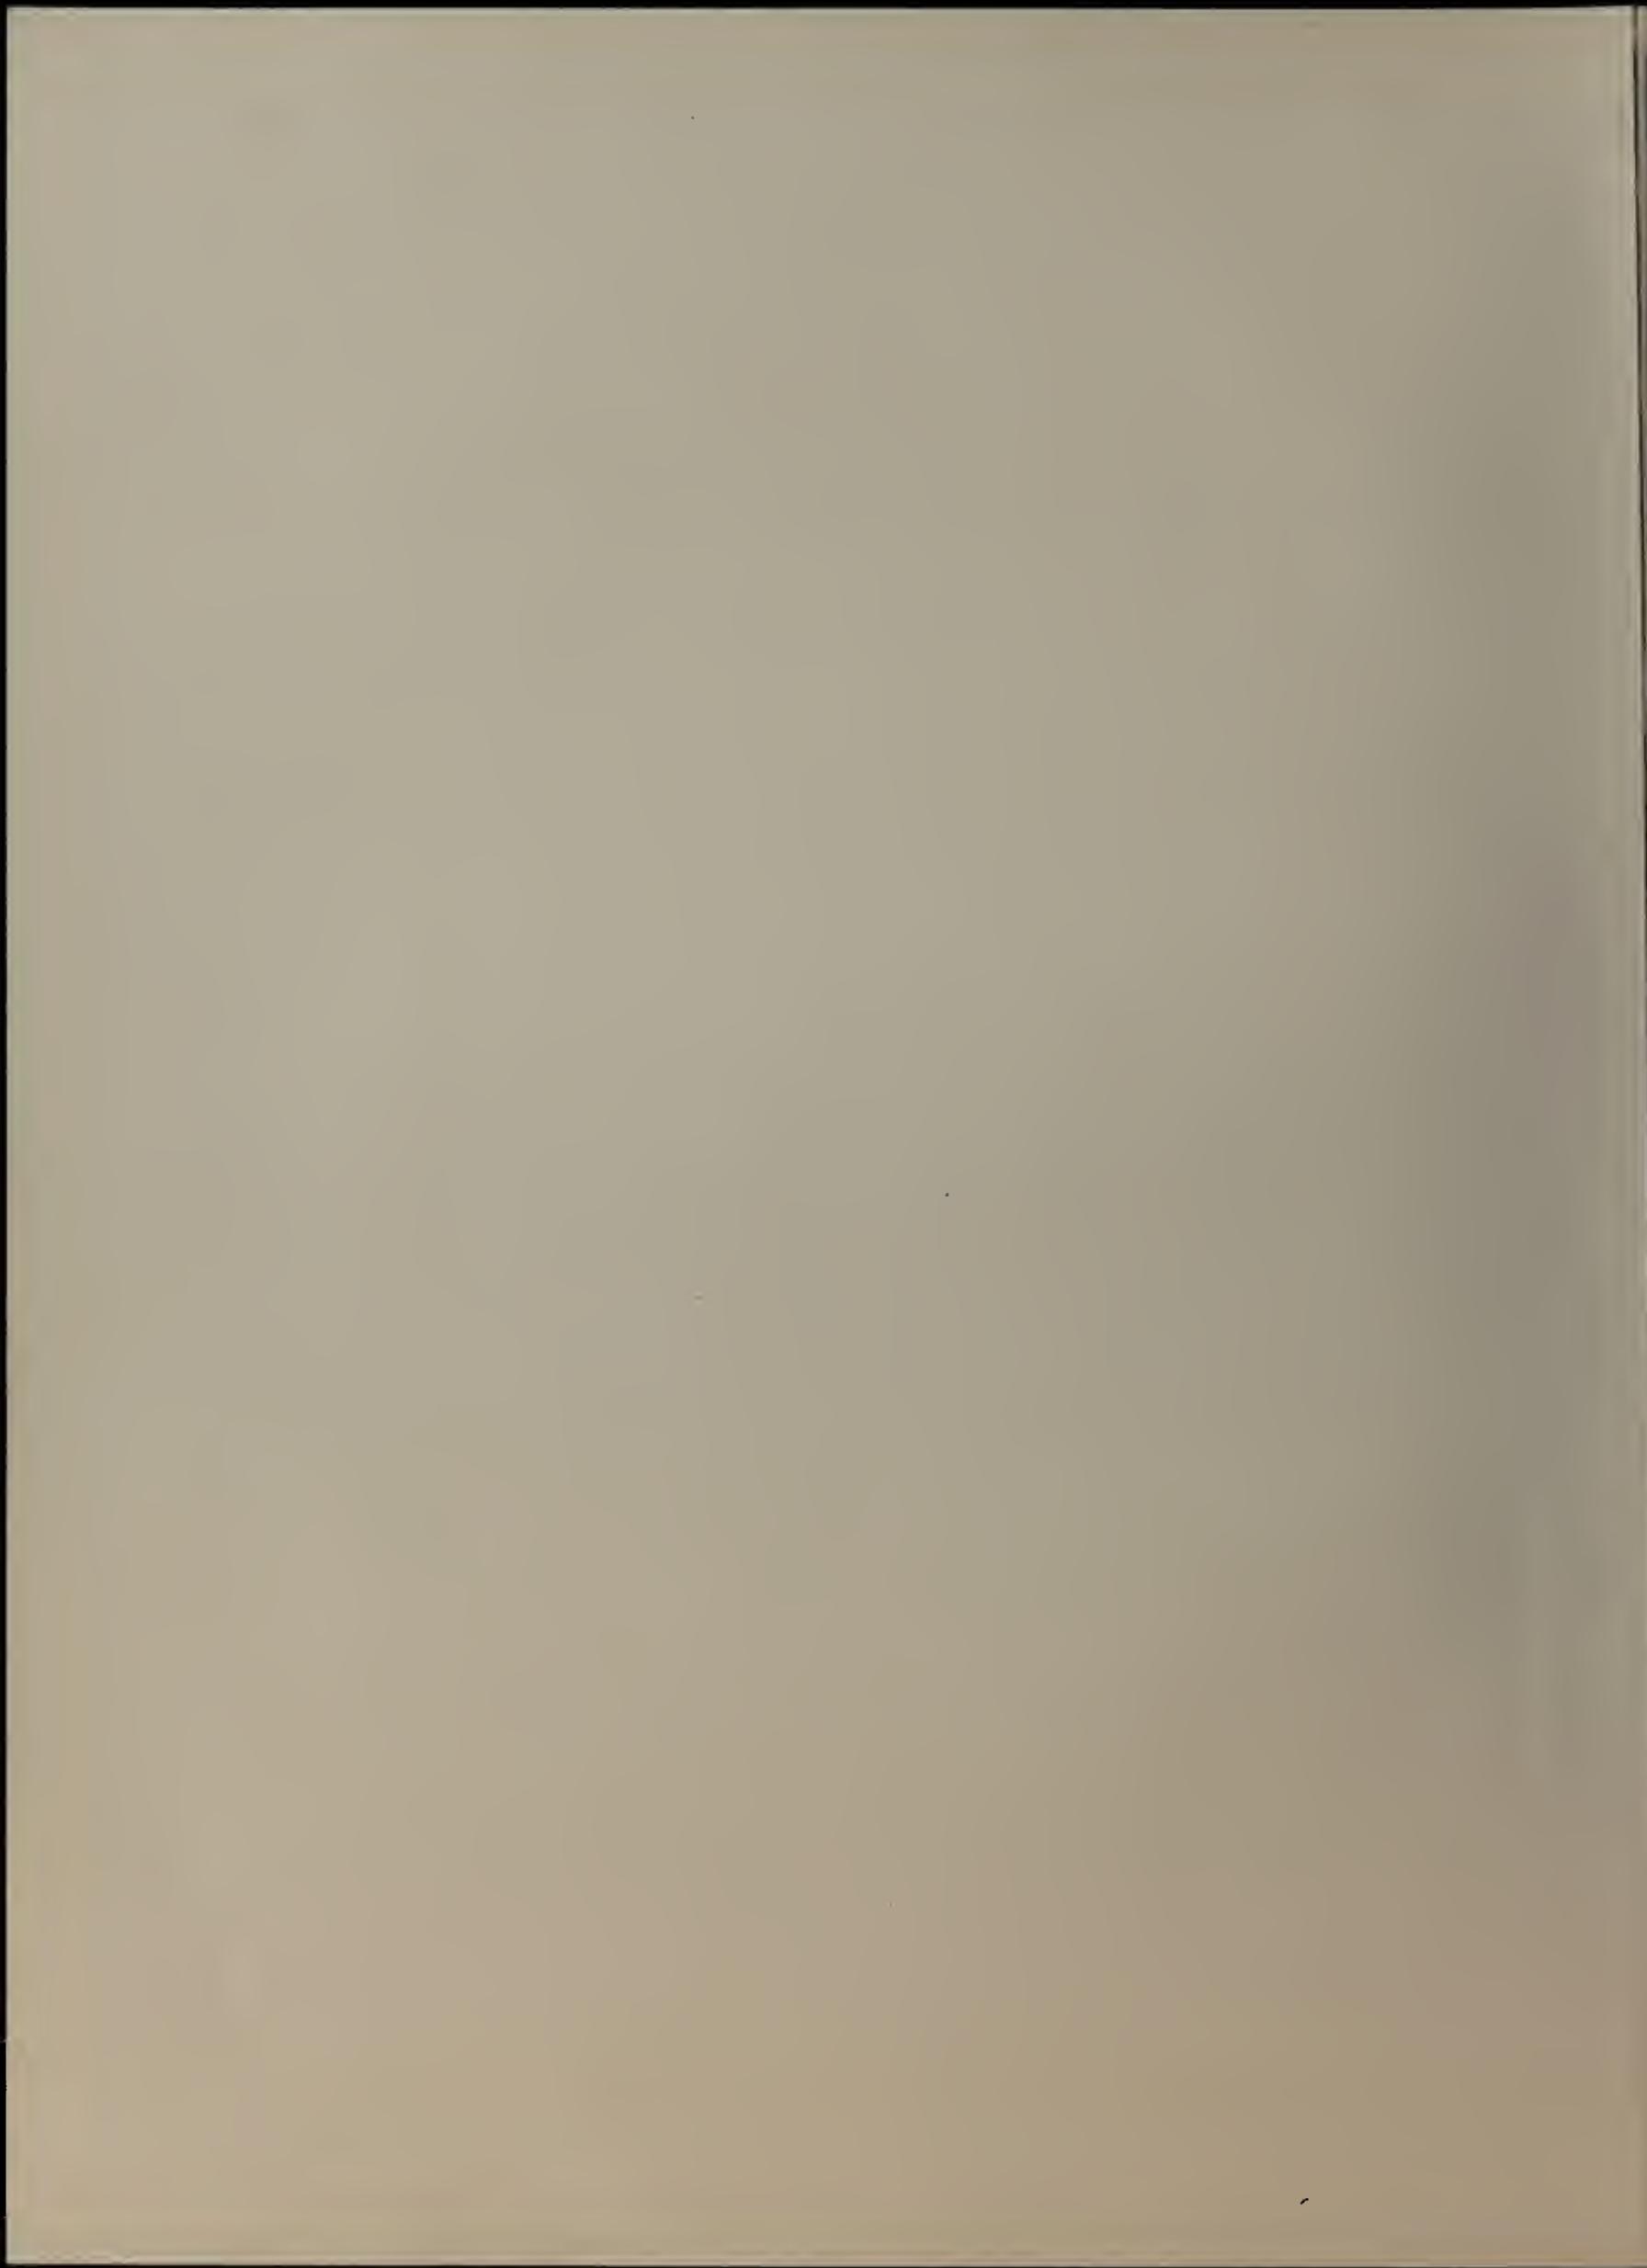

These are the days — of plays, dances, parties, concerts, special events. This is what our days are all about, having fun and getting out!

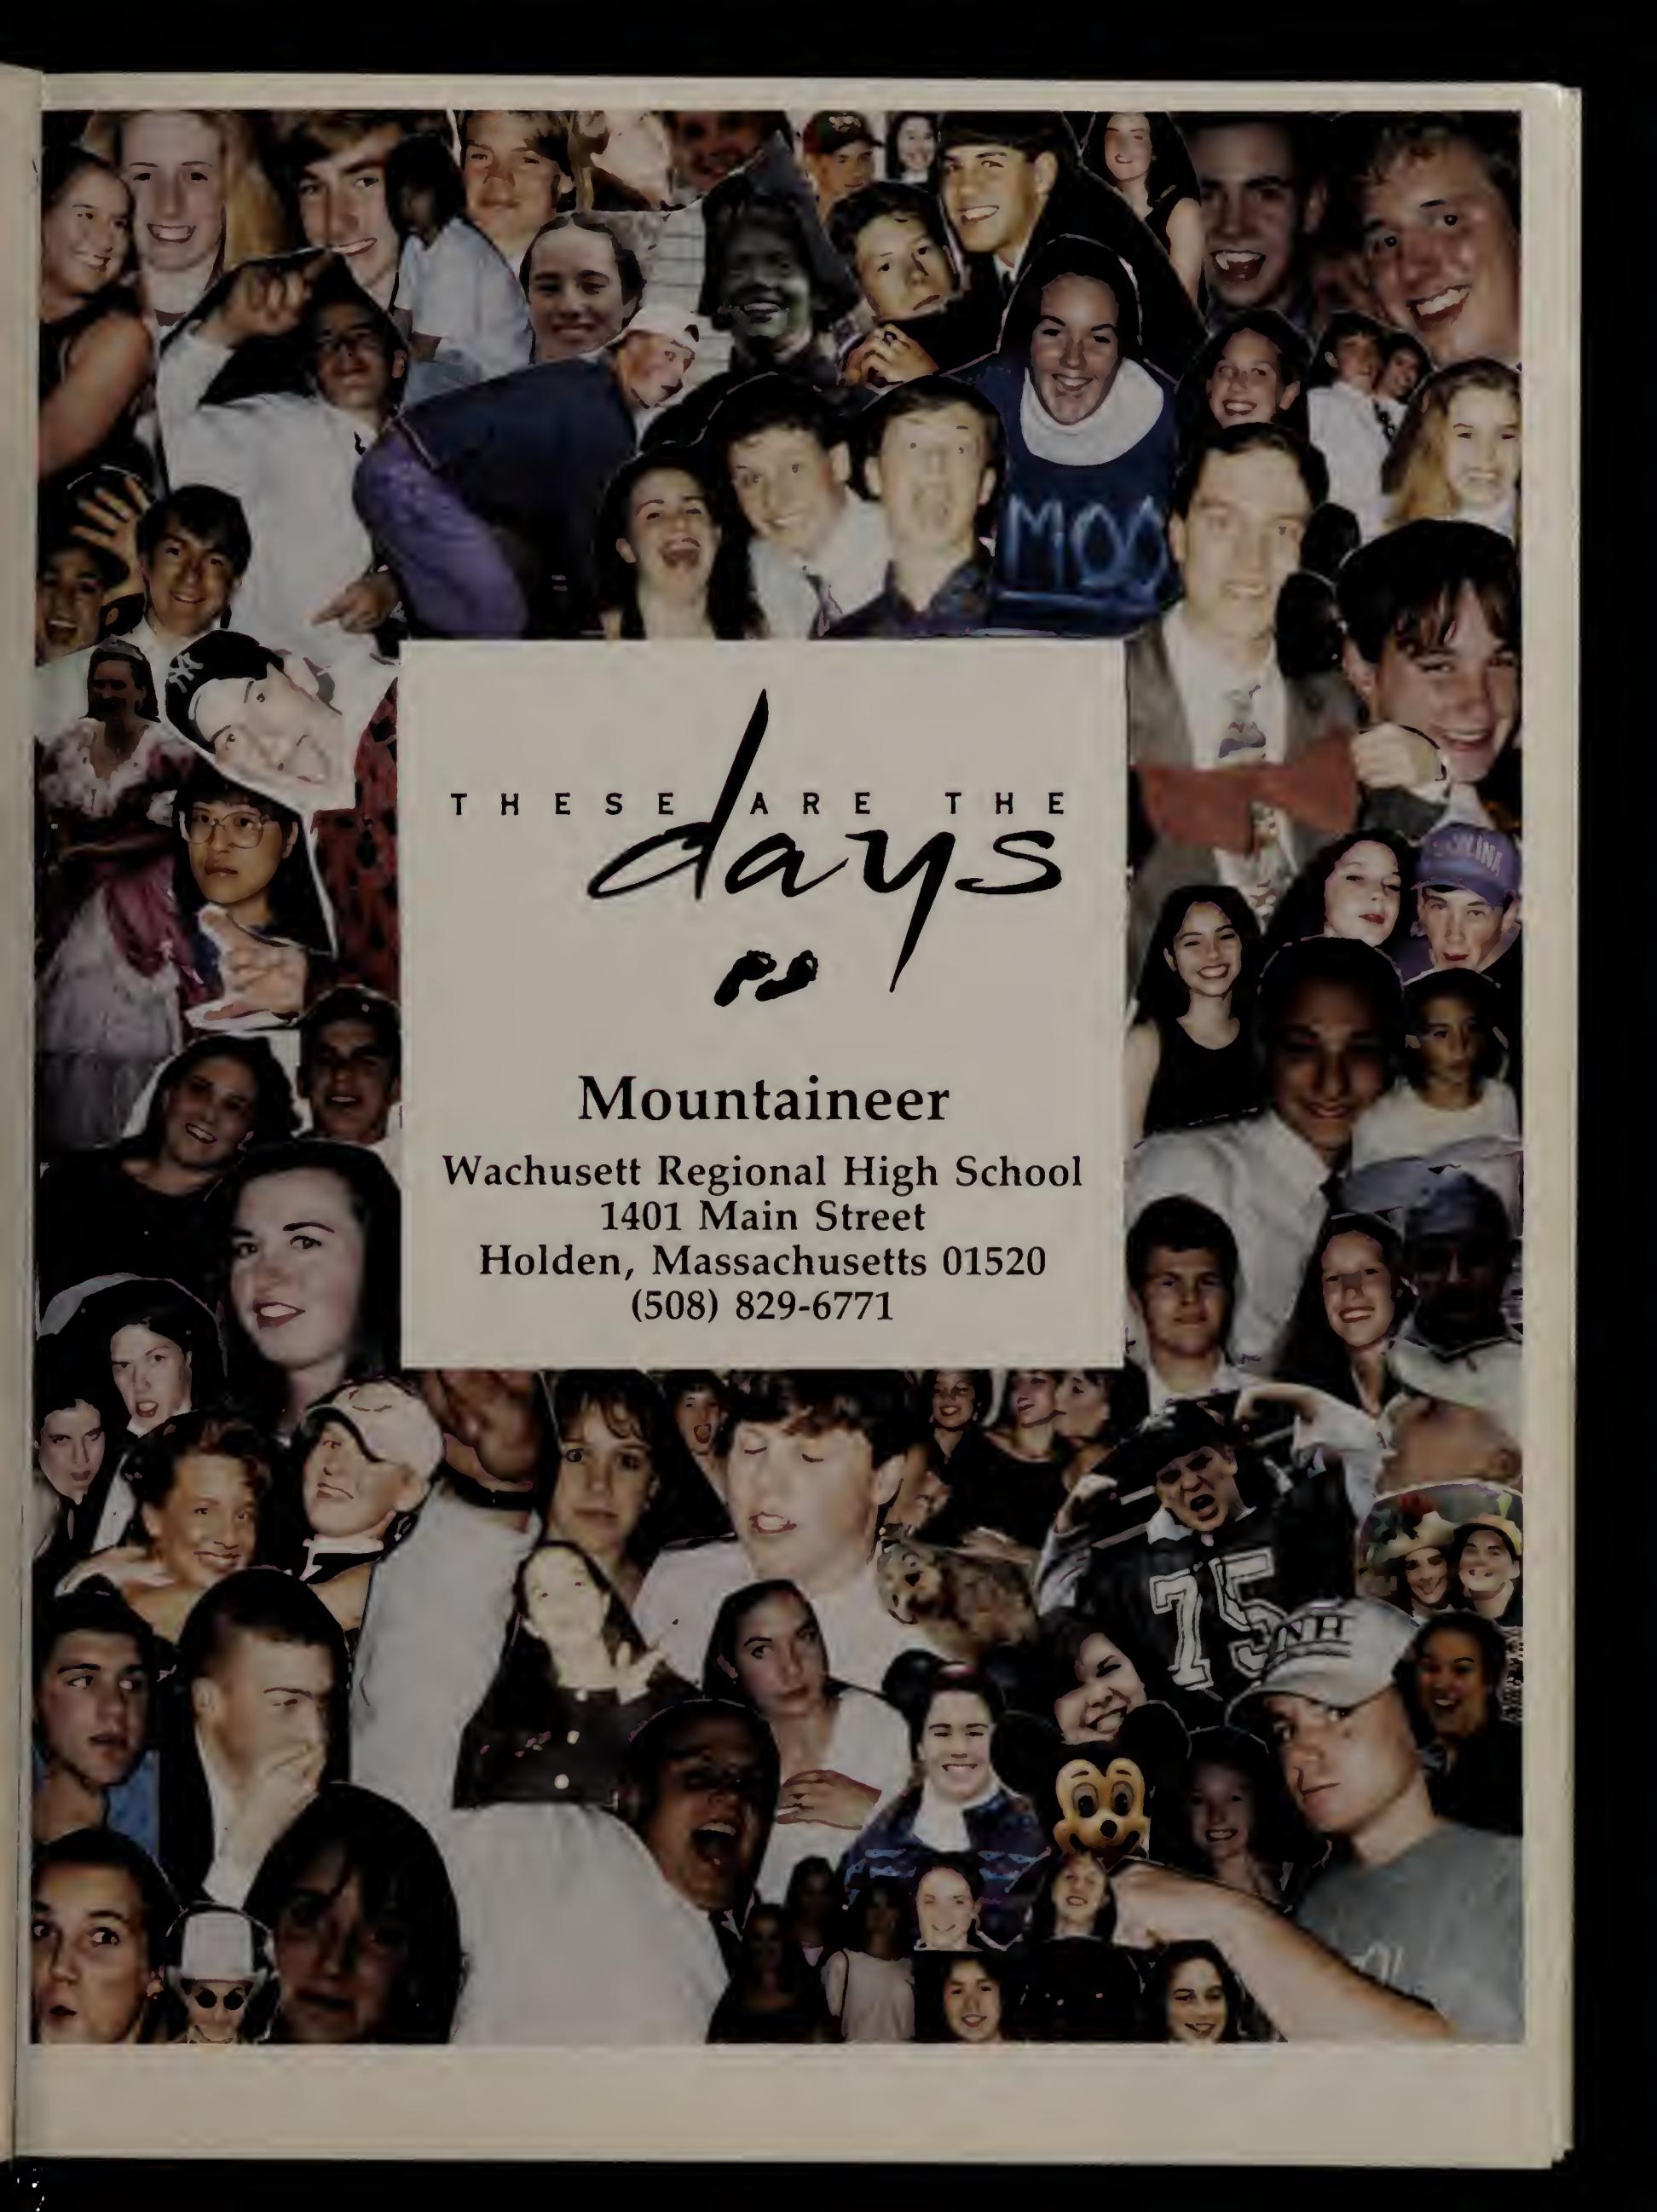

145

## Parent Ads

Our parents have chosen to show the days when we were younger. These are the days we remember!

Class of 1996, remember when we were in grade school? Recall walking to the bus stop for the first time, learning how to add and subtract fractions (yuck), going to the first dance, and kissing for the first time? Those were the days to remember. Now that we are seniors, bringing our high school careers to an end, we have more friends and more memories — ones that make us laugh and ones that make us cry. Doesn't it seem like we were freshmen just yesterday — getting tossed around on "freshman buff day?" Well, it was, when you compare our lives so far with the future yet to come. As a class we have matured and grown closer together. We will always be there to support each other. **These Are The Days** we will never forget!

**Above:** Dave Jewett gives the "Peace" sign surrounded by Liz Brown and Caroline Crichton.

**Below:** Minnie Mouse appears to be trying for a good college recommendation as she plays "nosies" with Mr. Barney's son at Homecoming '95!

**Top Left:** Christina Bailey and Lindsey Bazinet appear to have two different opinions concerning the Junior Prom. **Top Right:** Matt Lambert gives the Homecoming Dance two thumbs up, as Jarrett Groccia looks on. **Middle Left:** Who are those masked Wachusett seniors? Why, it's Kim Rene and Scottie Bryant! **Right:** Presenting the 1995 Homecoming King and Queen — Jeff Cross and Emily Brown. **Left:** A group of Wachusett musicians prepare for the Homecoming Parade — (Left to Right) Stephanie LoConto, Matt Migliorelli, Ivan Parkinson, Scott Raevsky, Tom Bocian, Matt Foster, Tammy Anderson, Liz Jeffcoat, and Beth Singley.

# In Loving Memory Of . . .

To a dear friend  
Who will always be fondly remembered.

I know that words don't mean much  
After the fact,  
And they can't make the pain go away.  
But to honor his memory,  
I have to tell those who didn't know him,  
the kind of person he was.

A son, a brother, a friend.  
A warm and caring person.  
A good student and cherished companion.  
One who will undoubtedly be missed by  
many.

Words are not enough,  
To show how we felt about him.  
We can only hold on  
to our own personal memories,  
and keep them close to our hearts.

He was a wonderful person  
Who really cared about people.  
He was devoted to his family and friends,  
And took part in many school activities.

May God bless his soul,  
And watch over his family.

We love you Hans!

(In loving memory of Hans Hyson 1977-1996)

Amy Kwok

## *Hans A.J. Hyson*

November 8, 1977  
March 26, 1996

On March 26, 1996, the Wachusett community lost a great friend. Hans Hyson touched the lives of many people, and losing him left a void in our hearts. Hans was an avid and talented skier. He was a member of the National Ski Patrol, and held senior patrol status at Wachusett Mountain. He was the only ski patrol member in history to place first three years in a row at the prestigious Eastern Division National Ski Patrol Seminar. Besides skiing, Hans was also interested in antique cars. He owned a 1928 Model A Ford, which he restored himself and often showed at antique car shows.

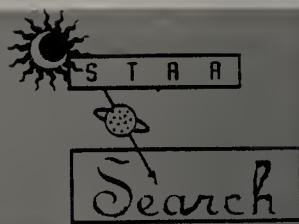

Hans enjoyed school and was involved in many school activities. He was an active member of the yearbook committee, the Homecoming parade float committee and the prom committee. Hans left behind many close friends, including his twin sister, Heather. Hans had a wonderful future ahead of him and his untimely death is a reminder that we all need to take full advantage of the time we have in life. Hans would agree that the only thing in life anyone has to do is live life to the fullest, as he did.

We, on the yearbook staff, will remember Hans for his presence at our Tuesday night meetings (at least, until ski season began!). Whether he was making a joke out of organizing the senior section, making lists of missing faculty photos, counting superlative ballots, or just plain, cropping; he was there for us! It wasn't easy being one of only a couple of males in a female-dominated room; but Hans made the best of it. Hans contributed a great deal to this yearbook — he would want you to enjoy!

Hans, you will always be in our hearts and souls. You were able to touch so many lives and because of that your memory will live on in us. We will miss you always.

## We Will Follow You . . .

Wachusett Regional High School has seen many new faces in the building this year. While, Dr. Pandiscio has completed his third year as principal, and Mr. Wiblin his second as assistant principal; three new people have joined the administrative staff. Mr. Farley left teaching in the Social Studies department to come down to his own office near the Main Office. Newcomers Mr. Connolly and Ms. Lojko have also joined the Wachusett Family. Also, new for this year, was the elimination of department heads. We now have curriculum coordinators that share their expertise with several departments.

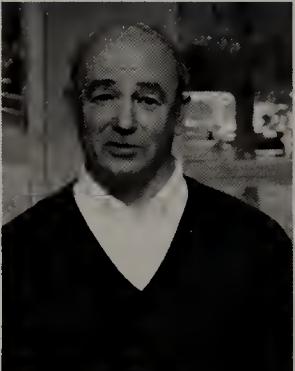

In order to guide you through the Faculty section of this book, please use the following guide to the departments and jobs of the pictured individuals. ## Go For The Goal

### Girls Soccer Posts A Winning Season

Wachusett Girls' Soccer scored some big victories this season in their quest to make Districts. Their goal was met with a 12-4-2 record, one of the best records posted by a girls' team in recent years.

Leading the attack were the senior captains, Molly Ahearn, Emily Brown, Corinne Cassidy and Christina Vaugh. Coach Jeff Larson had many excellent players to choose from; and his bench had some great support. Since most of these players

were underclassmen, good things appear to be coming for the next few years.

At the Awards night in November, the following players were recognized for their abilities during the season. The Most Valuable Player Award went to Molly Ahearn. The Coach's Award was earned by Emily Brown. Mid-Wach League All-Stars were Missy Nordberg, Molly Ahearn, Emily Brown, and Christina Vaugh.

## Booters Lose Close One in State Semi's

**W**

achusetts booters finally did it — they beat St. Johns when it mattered! For the first time in many years, the Wachusett Boys Soccer Team came up the winners in the District Finals. For the past three years, their efforts to win the title met a roadblock in the form of St. John's. But this year, talent won out, and the title — District Champs — was ours!

In the state semi-final game, Wachusett lost to Ludlow, the eventual State Champions by one goal. The game capped a terrific 15-5-1 season.

The team was captained by seniors Jeff Orciuch and Alex

Bradley. At the November Awards Night, Alex Bradley was named the Most Valuable Player on the team. The Coach's Award was awarded to Ray Desantis. League All-Stars were Alex Bradley, Peter Cranson, and Jeff Orciuch. Alex Bradley was further honored as an All-American in early December.

The team, coached by Richard "Skip" Knight, Peter Gardula, Steve Mantha and Chris Woods; had many talented underclassmen rostered. This should spell success for the Wachusett Varsity Boys Soccer Team in years to come.

## **This Time, Next Year . . .**

As they learn their way around the halls of Wachusett, the Junior Varsity and Freshmen teams will learn their way around the playing fields. With each game, the players became stronger, but they also became a team; working together for a common goal. We look forward to seeing these faces and names for many years to come — there are always more district titles to win.

## Mid-Wach League Champs

# Boys Indoor Track

The Wachusett Boys Track team started off the season in great style. After an early season loss to St. John's, the Wachusett runners were victorious in all other duel meets with fellow Mid-Wach League schools. This included a nail-biting 44.5 to 41.5 victory over the previously unbeaten Leominster squad. Stand out performances were delivered by Adam Moriarty in the 1000, Mike Brady in the 600, Mike Smith in the two mile, Mike Plate in the hur-

dles, Ben Roesch in the high jump, Matt Buma in the shot put, Mario Fratantonio in the 45-yard dash, and Tim Leonard in the 300.

According to the sources of this story, Freshmen Tim Orsiuch, Mike O'Malley and Tom Gusha, there were many highlights to the season. Besides the record and the great individual performances, the meets were great fun; and these guys will never forget Mario's Girl List!

Undefeated In Dual Meets

## Girls Indoor Track

Despite their fondness for snowball and water fights in the halls of Wachusett, the Girls Indoor Track team triumphed this season over their competition. Great performances were turned in by senior, Maria Megnin in many events, but especially the high jump, where she set league records for the season. Another outstanding senior performer, Corinne Cassidy

excelled in the short distance events. Other scorers for the undefeated Mountaineer women were Kristen Frank in the high jump and 600, Kelly Hughes in the mile, Ellen Hedlund in the two-mile, and freshman, Laura Smith in the 1000. It was a great season for the Girls Indoor Track team, made better by the trips to Burger King and the YMCA.

## Iced Out?

Wachusett Icemen Hope To Amass Enough Wins To Get To Districts

Icy conditions, both on and off the ice, created many different kinds of situations for the Wachusett Varsity Ice Hockey team this season. Due to snowy weather conditions, two early-season games had to be postponed. Other games were played in conditions less than favorable for travel to our team's "home" rink in Westboro. But, the fans prevailed, and they were treated to several excellent games this season. A highlight was the Wachusett "loss" to St. Johns. O.K.,

so it wasn't a win, but the team and fans agreed that Hart Center at Holy Cross was a great place to play a hockey game. However, the hockey team did win this season with great games against Monty Tech, Murdock, Worcester, and Nashoba Tech. The team likes to watch the game as much as they like to play. However, several players have had rinkside seats from the penalty box! All in all, it's been a great season for the young "Mountaineers".

# Junior Varsity And Freshmen Basketball Teams Strive For Perfection

## Go Mountaineers

### Junior Varsity Girls Basketball

According to sophomores Kelly McMaster and Lori Senckowski, their basketball season proved that they could play among the best. Easy victories came at the hands of South and Burncoat; while their toughest competition was arch rivals, Holy Name, who they look forward to beating in the last game of the season.

**Junior Varsity Girl's Basketball Team**

Front Row: Heather Reid, Bridget Harrington, Trish McMaster, Lori Senckowski, Kelly McMaster, Katie Muller; Back Row: Janet Bourget, Louisa Morse, Amy Desantis, Jen Bodinizzo, Jessie Fisher, and Jackie Gauthier.

### Junior Varsity Boys Basketball

There's nothing like a come from behind victory in basketball, especially if it happens in overtime. That describes the best game of the season for sophomore Chris Bingham. The high point of his season was the victory over North Middlesex, in which the Mountaineers came back from a 22-point deficit to win in overtime!

### Freshmen Boys Basketball

While the team had only a few wins, they had many great memories. So, says freshmen Sean Tiarks, who cited as high points of his season the trip to McDonald's after the North Middlesex game, and the girls freshmen basketball team! Freshman Nate Rittlund was most impressed by "Bus-driver Bob" who suggested to the team a most unusual way of cleaning the bus floor. Nate also enjoyed the guy with the kookie hat. See, with freshmen, it's not always the game that's most important!

# NHS Blood Drive

*"All of the extra preparation beforehand, helped this years blood drive run smoothly."*  
— Maren Christensen

## Holding Things Together

Maren Christensen and Kate Smith were this years NHS Blood Drive Coordinators. They did a lot of scheduling to make this years Blood Drive happen.

Every year the National Honor Society (NHS) and the American Red Cross hold a Blood Drive before the Holidays at Wachusett. This years NHS members helped out by calling previous donors to schedule appointments, hanging up advertisements in the five towns, signing up Wachusett's seniors to give blood, and helping to staff the event. The American Red Cross supplied the rest. This years drive was held on December 12, 1995 from eight o'clock AM to eight o'clock PM. It took place in the wooden gym. The grand total of donated pints of blood was 197 pints.

Each In Their Own Way Has Made  
Their Mark On Wachusett . . .

## Special Seniors

### Jamie Laplante

Jamie Laplante has been on the softball team here at Wachusett for four years. During her sophomore year, she was the Mid-Wach MVP and a Mid-Wach All Star. Last year she was a co-captain, but because of a devastating injury, she was unable to play. After breaking her neck, Jamie was out of school for the entire second half of the year. After a tremendous recovery, she is back on the team this season, although she is unable to be the catcher, her regular position. You can tell that softball is her favorite since she has been playing since she was six.

### Randy Scott

Randy Scott has been involved in a school sport since freshman year. He has been the kicker for the Wachusett football team for four years. His work for the team probably contributed to his winning the Punt, Pass, and Kick Competition, sponsored by the New England Patriots at Foxboro Stadium in the Fall of 1995. He has also played baseball for four years and basketball during his freshman and sophomore year.

### Molly Ahearn

Molly Ahearn has been involved in Wachusett life for all four years that she has been here. She has been on Student Council for the past four years and she was president of the class for the first three years. ## Daniel Tarkiainen

July 5, 1944 — October 22, 1995

These are times in life when we get one of those Oh-my-god-no! — this-can't-be-happening messages. It hits us squarely in the stomach, taking us by surprise and usually leaving us gasping for breath. A sick feeling spreads from the stomach, like nausea created by an unexpectedly wild amusement park ride.

I received a message of these proportions once. A casual friend called me to inform me about the tragedy: my mathematics teacher had taken his own life. I had been struck a powerful blow — Mr. Daniel Tarkiainen was not only my teacher, but also an advisor to the school's National Honor Society and a friend.

Yet to accuse my caller of playing a prank would be naive — rumors of suicide tend not to be the subject of joking. Suicide is no fairy-tale, but rather one of the most formidable foes some people must deal with.

I went to school the next morning, after hearing the news, hoping that I would wake up, but that American flag hung solemnly at half-mast. Sure enough, first period teachers told the students about the death, and the dreary hallways became infinitely duller to me that whole day. I struggled to maintain my composure when I saw a pair of white and red roses taped to the door of my mathematics room. A retired math instructor spoke eloquently about my teacher. "He was an excellent person and a wonderful man," he repeated. But no one needed to tell me, since I knew him through math class as well as the National Honor Society — his amiable grin, his bald head, and his familiar dark-rimmed glasses.

It has been difficult for me to deal with this tragedy, since I developed such an affinity for him. Being caught off guard by such an unexpected death has made the tragedy even more jolting.

This unacceptable act hits home hardest when it happens to somebody one admires. Had I not been so upset, I would have told off students in my class making wise-cracks about the situation; by any standards, suicide should not be taken lightly.

Despite my anger, I must still grieve with my friend and teacher, my mentor. Human life is so fragile, yet so strong. At times, like an all-consuming fire, our weaknesses pull us irresistibly away from the light. We must overcome our strength of will to make the right choice. He has done his choice, but I can commiserate with him. I can stand behind his smile and his countenance.

Maybe I should have laughed at myself for this math-related job. I was laughing into him in the halls and asking him questions in class. I even removed the flowers on his door, but I no longer care.

# The 1996 Yearbook Staff

Tara Strand checks senior write-up forms in the yearbook office prior to organizing and typing the birthday/index pages.

Todd Clark makes use of his meeting time to indicate his feelings for a cartoon character. Maybe, he's also indicating his feelings for seniors choosing this character as a favorite!

Thanks for the memories, kids.

This book is done, but, we're not done as a staff yet. We still have a supplement to produce; and we also have to clean the yearbook office!

This has been a year of really big changes for the Mountaineer. In changing the delivery date from

August to May, all of the deadlines were earlier (and closer together) than ever before.

We spent many a meeting just getting ourselves organized when 60-page deadlines loomed only a few days away. It was harder to learn the process because the staff was expected to produce immediately. But, we did it, the book was finished in mid-March; and we can sit back and party with Chinese food.

I'm very happy I've met and worked with all of you — it's fun to be doing something with seniors when you've spent the whole day teaching freshmen! But, I have to thank two staffers, in particular, for all of their hard work and dedication. A special thanks to Jill Korandanis and

Jessica Stevens for all of their devotion. I should have guessed you'd be special when you voluntarily came on your own time to camp in Rhode Island. You proved time and again that you had the "yearbook stuff"!

Thank you for being there for the Monday and Tuesday evening (sometimes Thursday, too) meetings. The mornings (and afternoons) of Christmas and February vacation — I appreciated the effort — your fellow seniors better appreciate it, or else!

Thank you all and have a great rest of your lives. Always remember that you worked to produce the one thing most of your classmates will still have twenty years from now!

Top: Melanie Hanson directs some staffers in putting together the superlative pages of the yearbook.

Above: Rob Fraser, Todd Clark, and Amy Korczynski look on as Paige Portanova is crowned with the infamous green shamrock hat — Paige keeps on working though!

## Opposite Page:

### Top Row:

Jill Korandanis proved to be an able leader. She learned everything there was to know about yearbook. Thanks for the company during Christmas vacation (and all those other days and nights)!

Jessie Stevens has been hanging around the yearbook for the last three years. This year, however, she surpassed her earlier work. This wasn't just the underclassmen section this year.

Krissy Poole and Rob Fraser put their journalism talents to work on the sports and clubs sections of the book. Great job!

### Middle Row:

Our token underclassmen, Todd Clark, had to leave us midyear to learn to drive. However, he was a big help putting together the senior and underclassmen sections.

Another lifer, Kathy Donaldson, has been a staffer since her sophomore year. She's always there to help — no matter what the job involves. Allison Belisle and Beth DeBari did extensive work on the outstanding senior section. Outstanding job on your part.

### Bottom Row:

Heather Hyson worked hard on the senior section; and was responsible for the color photo for the class of 1996!

A late night grouping of staffers outside the office: Jen Wetzel, Karen Bleakney, Amy Korczynski, Allison Belisle, Hans Hyson, Beth DeBari, Kathy Donaldson, Krissy Poole, Jessie Stevens, Rob Fraser, and Tara Strand.

Amy Korczynski and Karen Bleakney typed and typed and typed the senior write-ups and birthdays.

# This Book Is Done . . .

Now, it's time to say good-bye. Just look at where we've been! "These Are The Days" we'll remember. Through this book, we've, hopefully, given you many reasons to remember. We've taken you back to Homecomings when we were freshmen, sophomores, juniors and, of course, seniors. We've revisited Junior Prom '95, the various class trips, and just plain "hanging around." You also have a picture book of the faces of all the people you've come to know during your time at Wachusett — faculty, underclassmen, teams, and fellow seniors. Look at this often, and remember fondly that — "these were the days"!

If you've been wondering where all those footsteps on the bottom of the pages would lead; it's all here. Our ugliest feet winner, Matt Buma, shows off his prize-winning tootsies. He must be exhausted — that's 176 pages he just stomped through!

# I t's All Over!

# As we end our days together, we must remember to say . . .

# Thanks To All Who Helped Us Through The Year!

## Colophon

The "Mountaineer" is an annual publication by the Yearbook Staff at Wachusett Regional High School, 1401 Main Street, Holden, Massachusetts 01520. The high school serves the towns of Holden, Paxton, Princeton, Rutland and Sterling. The book was distributed to the class of 1996 in late May of 1996.

The book was printed in Winston-Salem, North Carolina at the Jostens/Hunter Publishing Division. The press run was 675 copies. The staff was assisted in the design of the cover, endsheets, division and title pages by Rick Brooks of the Creative Resources of Jostens, and by the company representative, Arnie Lohmann.

The cover is a school-designed printed 4-color Trulife litho cover with hot stamping on the front lid. The foil is fiery amber (#368). The foil was used for the class year, and part of the theme. It was also used for the stamping of student names on the cover. The base material cover is mission grain (#1212). There is an insert printed on a white base material (# 478) with the addition of numerous mix-to-match inks. The litho process cover has a full high-gloss film lamination for protection. The trim size is 8 1/2 by 11, and is Smythe-sewn. It is wrapped around 120-point binder's board. The school follows the Majestic publishing program offered by Jostens/Hunter.

The front and back endsheets are different. Both are house white and are of a 65 pound cover weight stock. The front endsheet contains the theme logo and table of contents, and is printed with black and orange (# 165) printing inks. The back endsheet is plain with no printing. The paper used throughout the book is 80 pound gloss, printed in standard black ink. Sixteen pages were printed using the standard four-color process. Original artwork, submitted by the students, was refined by Jostens/Hunter. The book used Palatino (# 141), Palatino bold (# 143) and Palatino italic (# 142) as the major type style. Assorted other type fonts were used at the discretion of the page editor.

A current events supplement, "World Beat" (produced by Jostens/Hunter) has been sewn into book between pages 160 and 161.

Candid photographs were taken by the advisor and students. Senior portraits were taken by Ken Parker and his associates at **Photography By Kenneth Parker** of Holden, the designated official yearbook photographer. Other professional photographers did some of the senior portraits. Athletics (both team shots and candids), clubs and organizations, faculty, and other major school events were photographed at no charge to the yearbook by **Photography By Kenneth Parker**. Mr. Parker's studio also provided the yearbook staff with black and white film and developing at no additional cost. **O'Connor School Portraits** photographed the underclassmen for student ID's, and made these photos available to the yearbook staff at no cost.

Due to a change in the publishing cycle for the yearbook, the book is 176 pages, and covers most school events through February 10, 1996. It is anticipated that a 32 page supplement will be produced, and expected delivery of the supplement should be mid-November, 1996. The approximate cost of printing the yearbook (including supplement) is \$27,000.00. This figure includes publishing costs, freight charges, shipment of publication materials to North Carolina, color candid photography expenses (purchase and developing), and other supplies. The per copy cost of the book is \$30.00. The supplement will cost between \$7.00 to \$10.00. In addition to book sales, other monies are raised through an assessment to the senior class at the rate of \$30.00 per student (students do not buy books individually, they are included as part of class dues). Additional funds are raised through a parent ad/patron/sponsor solicitation campaign, and the proceeds from two soda and juice machines in the gym corridor. The book contains no commercial advertising, and is representative of the entire student body.

It has not been an easy year for the 1996 Yearbook Staff. Moving the distribution date of the book up by months created much earlier deadlines that had to be met. Many people worked very hard to get this book to you by making adjustments in their schedules. For this extra effort, the 1996 "Mountaineer" Yearbook Staff would like to thank:

Mr. Arnie Lohmann, our company representative from Jostens/Hunter. Arnie worked with both the staff and advisor to create a manageable deadline schedule. He also helped us work out problems early in the year, so we could make all those deadlines on time (well, almost on time!).

Mr. Ken Parker of **Photography By Kenneth Parker**, as well as his staff of Elizabeth and Marie. We made incredible demands on Ken this year to meet our earlier deadline schedule (which came at his busiest business season). Ken also saved us on deadline three by getting photos earlier to us that we had asked so we could make a deadline.

**O'Connor School Portraits** for getting the underclassmen photos to us in an organized way which made our job much easier.

Ms. Maura Goddard, our financial advisor. If you are reading this book, it's because she managed to find the money to pay the bill.

The Tuesday night custodial staff, who manned the buildings during our meetings. They were always willing to help.

Mrs. Lorraine Raymond, for all her patience when the staff was working in the office writing and delivering passes. Also, for her help in getting lists to us so we could check spelling, etc. . . . during our evening meetings.

All the administration, faculty, and staff who helped by being patient when we were less than organized.

And, a special thanks to Jill and Jessie, who kept me sane; and at the same time, kept the book moving forward.

Finally, thanks to my family. They put up with a lot from me this year. Thank you David for the meals you cooked when I was at meetings, and the car pooling you did in my place. Thanks also to Corey and Alison, who I hope understood about Thanksgiving break, Christmas vacation, and February vacation; as well as all the games mom missed seeing you play. I promise it will never happen again!

Thank you all so much.
